#### COLOURS 2015

**Standard colours** The colours above are standard colours and available with a minimum order length of 100 metres. Colours shown are references only.

**Optional colours** TenCate, the world's textile dyeing expert, can produce the TenCate Tecashield® fabrics in almost any colour. Minimum order 1400 m; larger order in multiples of 1400 m. Other lengths possible at additional charge. For more information about colour-combination requirements, as well as any other information you may need, please contact TenCate.
